IMPORTANT INFORMATIONS

Niveau

All participants need to be physically fit in order to perform :
From 6,000 to 10,000 meters of vertical drop per day. All snow and terrain.
From 600 to 1200 meters of / day altitude, on skis or snowboard « split ».

Material

The use of cross-country skis (min. 100min underfoot) and « Split » surf for powder snow are highly recommended.
Wearing a powder snow mask is also recommended. The temperature encountered in Japan in the winter are cold : from -10 to -25 degrees celsius. Equip yourself accordingly.

Formalités administratives & sanitaire

You must be in possession of a valid passport beyond the date of your return. For European citizens, a visa is not required for entry into Japanese territory.
However, it is imperative to be in possession of a return air ticket. Travel to Japan requires no particular health formality.

Air ticket

On request. We can take care of booking your airline tickets.
Contact-us.
